**PLAINTIFF'S MOTION FOR
PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT**

Plaintiff Alexander Garner, on behalf of himself and a proposed Settlement Class, respectfully moves for preliminary approval of the proposed Settlement resolving the Settlement Class's claims against Defendant Aramark Management Services Limited Partnership d/b/a Aramark Sports & Entertainment and d/b/a Aramark. The Settlement in this case provides substantial monetary relief in the form of a four million, five hundred thousand U.S. dollars (\$4,500,000) common fund.

The Settlement here is an outstanding recovery in a case that satisfies all criteria for preliminary settlement approval. This relief was secured by experienced and informed counsel after an arms-length mediation before a retired judge. The terms are fair, reasonable, and adequate, and would secure immediate monetary relief for the Settlement Class via a streamlined claims process. Class Counsel and the Class Representative have adequately represented the Settlement Class. And, the proposed Notice Plan, which contemplates Notice by email and a dedicated Settlement Website with a number for Settlement Class Members to obtain information about the Settlement, is the best notice practicable under the circumstances. Accordingly, Plaintiff requests

that the Court (1) preliminarily approve the proposed Settlement, (2) appoint Eisner Amper as Settlement Administrator, (3) order the Notice to be made to the Settlement Class, and (4) set a Final Approval Hearing no earlier than 100 days from the date of Preliminary Approval. This Motion is based on the Motion, the accompanying Memorandum of Law, the Declaration of Katherine M. Aizpuru with all Exhibits thereto, the pleadings and papers on file before the Court, and any such other materials as the Court may consider.

Aramark does not oppose the relief sought in this Motion.

Dated: August 14, 2026

Respectfully submitted,
